Baldwin Borough  
2019 Solid Waste  
& Recycling Collection guide

THINK GREEN.®

Dear Baldwin Borough Resident:

Baldwin Borough provides a comprehensive solid waste program designed to encourage recycling and waste reduction, reduce litter in our neighborhoods and ensure that waste is disposed of in an environmentally responsible manner. This guide includes various services that are available to residents. Waste Management pledges to provide the high-quality service residents expect and deserve.

Regular Curbside Collection

Baldwin Borough contracts with Waste Management as the waste and recycling hauler for residents. Garbage will be collected once every week and recycling will be collected every other week according to the attached street listing and calendar. Place material at the curb after 6 p.m. on the prior day or before 6 a.m. on the scheduled collection day. Please reference the street listing for your recycling service week.

General Guidelines

- Garbage should be properly secured in containers or plastic bags, weighing 50 pounds or less. Place garbage at curbside, in one area, and do not exceed 15 bags/cans and 1 bulk item per week.
- Grass clippings and weeds should be in plastic bags.
- Furniture items, appliances, household goods and disassembled children’s swing sets (cut to 4-foot length) will be accepted at curbside.
- Carpet should be rolled and tied in lengths not to exceed 48 inches so that one man can lift.

Recycling

Residents will receive curbside recycling collection every other week. Please reference the street listing to identify your service day. Residents must place they’re recycling in a separate cart for collection, no material will be accepted outside of the cart. All items must be placed loose in the recycling cart, no bagged material.

Please follow the new recycling guidelines.

**BACK DOOR SERVICE IS AVAILABLE TO ALL RESIDENTS FOR A FEE OF: \$19.25 PER QTR.** This is for those residents who are unable to get their trash to the curbside for pick up.

Service Inquiries

Residents should direct all questions and complaints regarding refuse and recycling collection to Waste Management at 800-866-4460 or online at [www.wm.com](http://www.wm.com). 2020 Recycling Program Changes

Due to global changes in the recycling industry, Waste Management is asking your community to help combat recycling contamination. You will experience some changes in your curbside recycling collection program. For programs to be successful, all participants must make an effort to change recycling habits.

- No plastic bags of any kind will be accepted. Please place material loose in your recycling bin or cart.
- Make sure you are only recycling plastic bottles, jugs and jars. Any other plastic shape must go in the trash.
- Glass is no longer accepted for recycling. Glass runs hard on our machines and can contaminate other good recyclables.
- Containers that held food should be rinsed free of food debris and liquid.
- Shredded paper is no longer accepted.

Always recycle:

**Paper**

**Food & Beverage Cans**

**Plastic Bottles , Jars & Jugs** (narrow neck containers labeled #1 and #2)

**Flattened Cardboard & Paperboard**

Do NOT include in your mixed recycling cart:

**NO Food Waste** (Compost instead!)

**NO Plastic Bags & Film** (Find a recycling site at [plasticfilmrecycling.org](http://plasticfilmrecycling.org))

**NO Foam Cups & Containers** (Check [Earth911.org](http://Earth911.org) for options.)

**NO Glass Bottles & Containers**

**NO Needles** (Keep medical waste out of recycling. Place in safe disposal containers like Waste Management's MedWaste Tracker® box.)

**NO BAGGED RECYCLABLES**

2020 Collection Schedule

- Your Trash & Recycling collection will be every other week.
- Please review the Street Listing, for your collection Day.

All items must be placed at the curb no later than 6:00 a.m. on your scheduled day of collection to avoid interrupted service.
